11) The estimated closing balance as estimated at the time of sanctioning the proposal was Rs 24,535 but now it is estimated to be Rs 19,325 on the 15.07.40, with a deficit budget for next year which still further reduces the balance by over Rs 7000 Rs. With such rapid depletion of the balance, it is certainly inadvisable that the expenditure in question should be undertaken, especially so as the work is not at all a pressing necessity.
